COMPLAINT is being made of the delay of the interior department in opening ever yet occurred. the Sisseton and Wahpeton reservation

The declination by Capt. Mills, of Deer Lodge, of the nomination for delegate to the constitutional convention is a matter to be regretted. His election as a representative of the minority in his district

United States geological survey, which is printed in another column, gives some facts of special interest to Mon'ana people as showing what the government is doing toward ascertaining the possibilities in the direction of irrigation by the system of storage reservoirs. His investigations have been going on in this territory for some time, and the result thus for her been bighly encourt. United States geological survey, which

THE school lands donated to Montana upon its attaining its majority and becoming a state will constitute a splenyouth of future generations, provided care is taken by the constitutianal convention to guard against its being dissipated in the early years of statehood There should be a clause in the constitution forever prohibiting the sale of fund for the maintenance, not only of dropped off to sleep at once. common schools, but, if rightly handled, of agricultural, mining and industrial colleges, so that there will be no need of sending the young abroad to be educated

in any of the ordinary branches.

declared, among other things, that if elected he would favor a provision of the constitution against the election of a governor to succeed himself, and possibly, Mr. Kennedy added, the application of the same principal to other state officers. The INDEPENDENT, commenttook exceptions to the implied theory election of a governor, holding that the Geyser Basin and Grand Canyon on May people were quite competent to judge when an executive officer could be safely trusted for a second term and when not. The indefinite part of Mr. Kennedy's articles of faith under this head, however, leaves room for a suggestion that the anti-second-term rule might be advented by the same schedule as in effect during the regular season, which will give tourists five and one half days will give tourists five and one half days. the anti-second-term rule might vantageously applied in the case of the vantageously applied in the case of the limits.

In nearly all cases with the park limits. CHAS. S. FEE, G. P. & T. A., St. Paul, Minn. city treasurers have occurred, it has been after the officer has entered upon his second, third or fourth term. Cases in point are those of Polk, state treasurer Newark, Ark., says, "Was down with Abof Tennessee; Tate, state treas- scess of Lungs, and friends and physicians urer of Kentucky; Gage, city pronounced me an incurable consumptive treasurer of Chicago, and Axworthy. Began taking Dr. King's New Discovery city treasurer of Cleveland, all of whom defaulted in sums ranging among the hundreds of thousands of dollars. It is entirely within the mark to say that in entirely within the mark to say that in none of the cases indicated did the embezzlement begin in the course of the officer's first term, and upon that show- drugstore. ing the states and cities would have been saved from financial loss had the one-term principle been in force. Such a provision exists in the constitutions of some of the states, and it is not known month thereafter, the Union Pacific rail-way company will sell excursion tickets to San Francisco at the following rates from mature becline and Functional disorders and Func 

fused a nomination because of the fact that he might not succeed himself.

It might be that two men, skilled in

Portland (either by rail or steamer between San Francisce and Portland) or vice versa, \$90. Los Angeles and return, going via Ogden and returning same, \$85. Tickets to the above points include side trips. Ogden adopt the one-term principle it could provide against a combination such as is

Subscribers, by carrier, per month......31 00 The one-term principle, especially in railways for St. Paul, Minneapolis and the its application to fiduciary officers, is east. This is the short line. Leave Hel-

tucky Derby, beating Proctor Knott and the best record; and it would be safe to Portland and a larger circulation than any wager the plethoric silken purse awarded sther two daily papers published in Montana. to the winner that a great many more been decided to apply the 825 second class t has no press room secrets; its subscription people know now than ever knew before rate west bound only, and that only on and born.
